This document is provided as a guide.

It is based on the current SCRA mark designation system.

All positions are given as approximate. Whilst every effort has been made to ensure the information herein is correct to the best of our knowledge, Portsmouth Sailing Club assumes no responsibility for errors or inaccuracies. This document should NOT be relied upon for navigation.

Note that this year most channel marks out of Portsmouth have been moved. Gleeds and Vail Williams have been moved to the West and the two newly installed QEC Navigation Light Arrays will provide an additional hazard to navigation around Spit Sand Fort
